

2018-2019 Flu Vaccines

Flu Mist will not be available this season due to recommendations from the CDC for poor performance protecting against the flu.

This year we are offering three options to vaccinate your children and family members:

Saturday Walk In Flu Clinics

NO APPOINTMENT NEEDED

Availability will depend on supply. Please check our website on the Friday before the clinic to check our stock. First come, first served.

September 29, 8:30 to 11:00 a.m. at John Rolfe Commons

October 27, 8:30 to 11:00 a.m. at John Rolfe Commons

November 10, 8:30 to 11:00 a.m. at East End Office – Laburnum

December 1, 8:30 to 11:00 a.m. at John Rolfe Commons

Regularly Scheduled Appointments

EFFECTIVE IMMEDIATELY

According to the CDC, you can get a flu shot at the same time you have a mild respiratory illness without a fever or if you have another mild illness.

Availability is on a first come first served basis.

Flu Shot Only Appointments

BEGINNING OCTOBER 2018

Appointment availability will depend on supply. Please call to schedule your appointment.

Wait lists will be kept if supply is short.

Flu Vaccine for pediatric patients are covered 100% by their insurance.

The self-pay fee is \$21.24 for patients 18 and under.

Parents and caregivers may receive the flu shot for \$35.00.
