Flu Mist will not be available this season due to problems with manufacturing.

This year we are offering three options to vaccinate your children and family members:

Regularly Scheduled Appointments
According to the CDC, you can get a flu shot at the same time you have a mild respiratory illness without a fever or if you have another mild illness. Availability is on a first come first served basis.

Flu Shot Only Appointments
Appointment availability will depend on supply. Please call to schedule your appointment. Wait lists will be kept if supply is short.

Saturday Walk In Flu Clinics
NO APPOINTMENT NEEDED
Availability will depend on supply. Please check our website on the Friday before the clinic to check our stock. First come, first served.

October 12, 8:30 to 11:00 a.m. at John Rolfe Commons
October 26, 8:30 to 11:00 a.m. at East End Office - Laburnum
November 9, 8:30 to 11:00 a.m. at John Rolfe Commons
November 23, 8:30 to 11:00 a.m. at East End Office - Laburnum
December 7, 8:30 to 11:00 a.m. at John Rolfe Commons

Flu Vaccine for pediatric patients are covered 100% by their insurance. The self-pay fee is $21.24 for patients 18 and under. Parents and caregivers may receive the flu shot for $35.00.
