

BE A FLU FIGHTER

2021-2022

Flu Vaccines

This year we are offering three options to vaccinate your children and family members:

Saturday Drive-Thru Flu Clinics

At our Virginia Center Commons Office

Wear your mask! We'll be wearing ours.

NO APPOINTMENT NEEDED – PLEASE HAVE YOUR UPDATED INSURANCE CARD.

Availability will depend on supply. Please check our website on the Friday before the clinic to check our stock. First come, first served.

Flu Vaccines will not be available to parents at Drive-Thru Clinics due to current supply.

September 25th, 9:00 to 11:00 a.m.

October 2nd, 9:00 to 11:00 a.m.

October 16th, 9:00 to 11:00 a.m.

October 23rd, 9:00 to 11:00 a.m.

Regularly Scheduled Appointments

According to the CDC, you can get a flu shot at the same time you have a mild respiratory illness without a fever or if you have another mild illness.

Availability is on a first come first served basis.

Coming October: Flu Shot Only Appointments

Appointment availability will depend on supply. By appointment only. Wait lists will be kept if supply is short.

Flu Vaccine for pediatric patients are covered 100% by their insurance.

The self-pay fee is \$21.24 for patients 18 and under.

Parents and caregivers may receive the flu shot for \$35.00 at In-Office Appointments only.
